

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nationwide Financial, LLP
DOCKET NO.: 10-27546.001-I-1
PARCEL NO.: 06-29-300-024-0000

The parties of record before the Property Tax Appeal Board are Nationwide Financial, LLP, the appellant(s), by attorney Joseph G. Kusper, of Storino Ramello & Durkin in Rosemont; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,340
IMPR.: \$16,045
TOTAL: \$29,385

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a vacant land parcel totaling 106,722 square feet. The property is located in Hanover Township, Cook County. The property is a class 1-90, other

minor improvement which does not add value, property under the Cook County Real Property Assessment Classification Ordinance.

The appellant argued there was unequal treatment in the assessment process of the land as the basis of this appeal. In support of the equity argument, the appellant submitted assessment information on a total of four properties suggested as comparable. These parcels range in size from 37,418 to 222,243 square feet and have assessments of \$.31 per square foot. The properties are classified as: 5-80, industrial minor improvement; 5-90, commercial minor improvement; 5-83, industrial Quonset hut or butler type buildings; and 5-93 industrial building. The assessment information for comparables #3 and #4 are listed as partial assessments.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,385 and a land assessment of \$13,040 or \$1.60 per square foot. In support of its contention of the correct assessment the board of review submitted 10 sales comparables.

Conclusion of Law

The appellant contends unequal treatment in the subject's assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the appellant's suggested comparables are not similar to the subject. These properties are improved; have different levels of assessment; and have a classification as commercial or industrial. Moreover, the appellant failed to submit complete information on suggested comparables #3 and #4. Therefore, the Board finds the appellant failed to show by clear and convincing evidence that the subject is over assessed when compared to similar properties and no reduction is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
