

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tom Kataras  
DOCKET NO.: 10-27741.001-R-1  
PARCEL NO.: 32-06-103-006-0000

The parties of record before the Property Tax Appeal Board are Tom Kataras, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 2,453  
**IMPR.:** \$ 2,691  
**TOTAL:** \$ 5,144

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a parcel of land with a 3,775 square foot site and containing a minor improvement. It is located in Bloom Township, Cook County. The property is a class 2-90

property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. The appellant initially appealed the assessments for a multi-parcel property containing two adjacent parcels, designated Property Index Numbers 32-06-103-006 (PIN 006) and 32-06-103-007 (PIN 007). The appellant submitted information on five suggested equity comparables in support of his argument pertaining to PIN 006, but did not submit information pertaining to PIN 007. Each of these comparables contains vacant land. The Board informed the appellant on August 14, 2012 that information pertaining to the multi-parcel appeal was incomplete. No further information was submitted.

The board of review submitted its "Board of Review Notes on Appeal" pertaining to PIN 006 disclosing the total assessment for the subject of \$5,144. The subject property has an improvement assessment of \$2,691, or \$6.25 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables. Each of these comparables contains vacant land only. The board of review also submitted Notes on Appeal pertaining to PIN 007 with information on three suggested equity comparables.

#### **Conclusion of Law**

The Board finds that the appellant failed to submit information pertaining to PIN 007. As a result, the appeal on that parcel was closed by the Board on April 9, 2013.

The taxpayer contends assessment inequity as the basis of the appeal for PIN 006. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity pertaining to PIN 006 to be the appellant's comparables #1, #2, #3, #4 and #5, and the board of review's comparables #1, #2 and #3. These comparables had improvement assessments that ranged from \$3.50 to \$6.25 per square foot of living area. The subject's improvement assessment of \$6.25 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
