

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ray Casali  
DOCKET NO.: 10-27830.001-C-1  
PARCEL NO.: 12-25-225-041-1001

The parties of record before the Property Tax Appeal Board are Ray Casali, the appellant, by attorney Anthony M. Farace, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 2,300  
**IMPR.:** \$ 30,325  
**TOTAL:** \$ 32,625

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a four year-old, multi-story commercial condominium building of masonry construction containing 791 square feet of improvement area. The property has a 8,366 square foot site and is located in Leyden Township, Cook County.

The property is a class 5-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted what the appellant designated as a summary appraisal report. The report contained information on four unadjusted comparable sales of commercial condominium properties. The sales occurred from September 2009 through June 2010. They sold for prices ranging from \$92,000 to \$185,000, or from \$83.86 to \$142.86 per square foot of improvement area including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,625. The subject's assessment reflects a market value of \$130,500, or \$164.98 per square foot of living area including land, when applying the 2010 level of assessment for Class 5 property of 25% as determined by the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three unadjusted suggested sale comparables of commercial condominium properties. The sales occurred from December 2007 through October 2009. They sold for prices ranging from \$165,000 to \$400,000, or from \$121.88 to \$228.18 per square foot of improvement area including land.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #4, and the board of review comparable sales #1 and #3. These comparables sold for prices ranging from \$92.00 to \$228.18 per square foot of living area, including land. The subject's assessment reflects a market

value of \$164.98 per square foot of improvement area including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
