

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christine Michael
DOCKET NO.: 10-27913.001-R-1
PARCEL NO.: 05-29-422-012-0000

The parties of record before the Property Tax Appeal Board are Christine Michael, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 17,516
IMPR.: \$ 129,765
TOTAL: \$ 147,281

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a three year-old, two-story dwelling of masonry construction containing 4,686 square feet of living area. Features of the home include a full finished basement, central air conditioning, two fireplaces and a two-car garage. The property has a 12,080 square foot site and is located in New

Trier Township, Cook County. The property is a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$147,281. The subject property has an improvement assessment of \$129,765, or \$27.69 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables with sales information on comparable #4.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, #3 and #4, and the board of review's comparables #1, #2, #3 and #4. These comparables had improvement assessments that ranged from \$24.17 to \$49.21 per square foot of living area. The subject's improvement assessment of \$27.69 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified.
