

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Dwyer  
DOCKET NO.: 10-28324.001-R-1  
PARCEL NO.: 05-17-110-023-0000

The parties of record before the Property Tax Appeal Board are John Dwyer, the appellant(s), by attorney Kevin B. Hynes, of O'Keefe Lyons & Hynes, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 19,227  
**IMPR.:** \$ 132,161  
**TOTAL:** \$ 151,388

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, single-family dwelling of frame construction with 3,663 square feet of living area. The dwelling was constructed in 2005. Features of the home include a full finished basement, a two-car garage, and two

fireplaces. The property has a 12,608 square foot site and is located in Glencoe, New Trier Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on eight equity comparables and included the corresponding Cook County Assessor's website printouts for each comparable.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales and included the corresponding Cook County Assessor's website printouts for each comparable.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$158,486. The subject property has an improvement assessment of \$139,259 or \$38.02 per square foot of living area. The subject's assessment reflects a market value of \$1,772,774 or \$483.97 per square foot of living area, land included, when using the 2010 three year median level of assessment for Cook County of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and sales data for comparable.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #4, #5, #7 and #8. The comparables had improvement assessments that ranged from \$32.25 to \$36.08 per square foot of living area. The subject's improvement assessment of \$38.02 per square foot of building area falls

above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified. Since a reduction was granted per the appellant's equity argument, the Board finds that the subject is now at full market value.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
