

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cindy Gotshall  
DOCKET NO.: 10-28434.001-R-1  
PARCEL NO.: 02-24-406-060-0000

The parties of record before the Property Tax Appeal Board are Cindy Gotshall, the appellant(s), by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 6,467  
**IMPR.:** \$ 21,694  
**TOTAL:** \$ 28,161

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 1,907 square feet of living area. The dwelling was constructed in 1988. Features of the home include

a full unfinished basement, one fireplace, air conditioning, and a two-car garage. The property has a 14, 372 square foot site and is located in Palatine, Palatine Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$315,000 as of September 21, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,500. The subject's assessment reflects a market value of \$352,348 or \$184.76 per square foot of living area, land included, when using the 2010 three year average median level of assessment for Cook County of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a unrelated prior PTAB decision.

In rebuttal, the appellant's attorney stated that appraisal is the only evidence as to the subject's market value.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$352,348, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$315,000 as of the assessment date at issue. Since market value has been established the 2010 three year average median level of assessments for Cook County of 8.94% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)).
