

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keith Chilson
DOCKET NO.: 10-28436.001-R-1 through 10-28436.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Keith Chilson, the appellant(s), by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-28436.001-R-1	12-21-410-001-0000	1,860	7,851	\$9,711
10-28436.002-R-1	12-21-410-002-0000	1,860	5,234	\$7,094

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story single-family dwelling of masonry construction with 1,215 square feet of living area. The dwelling was constructed in 1950. Features of the home include a slab basement, air conditioning, one bath,

and a two-car garage. The property has a 3,100 square foot site and is located in Franklin Park, Leyden Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a copy of the settlement statement confirming the sale of the subject in April 2009 for \$130,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,805. The subject's assessment reflects a market value of \$187,975 or \$154.71 per square foot of living area, land included, when using the 2010 three year average median level of assessment for Cook County of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted four equity comparables and sales data for each comparable. In addition, the board of review submitted a brief stating that the subject was not a fair market value due to the deed trail showing that a lis pendens lien was placed on the subject in 2007 and that no evidence was submitted regarding how the subject was marketed. Lastly, the appellant did not execute Section IV of the appeal regarding sale information.

In rebuttal, the appellant's attorney stated that the appellant's evidence is the only credible evidence as to the subject's market value.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in April 2009 for \$130,000 is a "compulsory sale." A "compulsory sale" is defined as:

- (i) The sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the

lender or mortgagor has agreed to the sale, commonly referred to as a " short sale" and (ii) the first sale of the real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment. The Board finds that the mere assertion that the subject's sale was not at market solely because it is a compulsory sale is accorded no weight without evidence supporting that assertion.

In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The

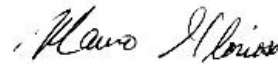

Board finds the board of review's comparables #1, #2, and #3 set the range of market value for the subject. These comparables were similar to the subject in location, style, construction, age, and features. They sold for \$111.03 to \$222.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$154.71 per square foot of living area, including land, which is within the range established by the best comparable sales in this record.

Accordingly, in determining the fair market value of the subject property, the Board finds that the appellant failed to submit sufficient evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has not met its burden by a preponderance of the evidence and that the subject does not warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
