

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Augusto & Maria Villa
DOCKET NO.: 10-28691.001-R-1
PARCEL NO.: 13-02-422-041-0000

The parties of record before the Property Tax Appeal Board are Augusto & Maria Villa, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,000
IMPR: \$ 13,797
TOTAL: \$ 22,797

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story story single-family dwelling of masonry construction with 1,218 square feet of living area. The dwelling is 84 years old. Features of the home include one bath, a full unfinished basement, and a one car garage. The property has a 5,625 square foot site, and is located in Chicago, Jefferson Township, Cook County. The subject is

classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold in June 2009 for \$255,000. This evidence included the Illinois Real Estate Transfer Declaration. Furthermore, the appellant's pleadings regarding Section IV-Recent Sale Data confirmed the closing date, sale price, and that the parties to the transaction were not related. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,669. The subject's assessment reflects a market value of \$331,868 or \$272.47 per square foot of living area, including land, when applying the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted four equity and sale comparable and confirmed the 2009 sale of the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in June 2009 for \$255,000. The appellant provided evidence demonstrating the sale had the elements of arm's length transaction. The appellant completed Section IV- Recent Sale Data of the appeal disclosing the the closing date, sale price, and that the parties to the transaction were not related. In further support of the transaction, the appellant submitted a copy of the transfer declaration. Lastly the board of review failed to provide any

evidence to challenge the arm's length nature of the transaction.

Based on this record, the Board finds the subject property had a market value of \$255,000 as of January 1, 2010. Since market value has been determined the 2010 three year average median level of assessments for class 2, residential property of 8.94% shall apply as determined by the Illinois Department of Revenue. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
