

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Schnackel
DOCKET NO.: 10-30495.001-R-1
PARCEL NO.: 02-14-215-029-0000

The parties of record before the Property Tax Appeal Board are Charles Schnackel, the appellant(s), by attorney Harry H. Semrow, Jr., of McAuliff and Semrow, P.C. in McHenry; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,260
IMPR.: \$ 8,840
TOTAL: \$13,100

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry construction with 1,223 square feet of living area. The dwelling is 47 years old. Features of the home include a partial basement, central air conditioning, and a one and one-half-car garage. The property has a 8,970 square foot site and is located in Palatine Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted numerous documents that indicate the subject was in disrepair and facing condemnation. The appellant also submitted evidence disclosing the subject property was purchased in a foreclosure sale on November 10, 2010 for a price of \$131,000. Based on this

evidence, the appellant requested a reduction in the subject's assessment to reflect 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,203. The subject's assessment reflects a market value of \$262,030, land included, when using the 2013 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November, 2010 for a price of \$131,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market. In further support of the transaction the appellant submitted a copy of the sales contract and settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the appellant's evidence regarding the state of disrepair of the subject property is persuasive. Based on this record the Board finds the subject property had a market value of \$131,000 as of January 1, 2010. Since market value has been determined the 2010 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
