

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vazgen Gasparyan
DOCKET NO.: 10-30746.001-R-1
PARCEL NO.: 16-03-217-022-0000

The parties of record before the Property Tax Appeal Board are Vazgen Gasparyan, the appellant, by attorney Daniel J. Farley of Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,451
IMPR: \$2,049
TOTAL: \$8,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story apartment building of frame construction with 2,530 square feet of living area. The building is approximately 78 years old and has a concrete

slab foundation. Features of the building include a 1-car garage. The property has a 4,032 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted limited evidence disclosing the subject property was purchased on January 21, 2010 for a price of \$85,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,884. The subject's assessment reflects a market value of \$218,840 or \$86.50 per square foot of living area, land included, when applying the level of assessments for class 2-11 property of 10% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables sold from May 2007 to September 2010 for prices ranging from \$85,000 to \$265,000 or from \$46.99 to \$117.15 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in January 2010 for a price of \$85,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The evidence indicated the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service (MLS). In further support of the transaction the

appellant submitted a copy of the HUD-1 settlement statement and a copy of the redfin.com website listing sheet for the subject. The evidence provided by the appellant implies the subject property was listed on the MLS from December 18, 2009 to December 28, 2009. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
