

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Chamberlin
DOCKET NO.: 10-31072.001-R-1
PARCEL NO.: 20-10-303-016-0000

The parties of record before the Property Tax Appeal Board are Mike Chamberlin, the appellant(s), by attorney Herbert Kanter, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,800
IMPR: \$19,725
TOTAL: \$ 25,525

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,625 square foot parcel of land improved with a 111-year old, three-story, masonry, multi-family dwelling containing 4,811 square feet of living area.

The property is located in Hyde Park Township, Cook County. The subject is classified as a 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument the appellant submitted seven equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,885 with an improvement assessment of \$23,085 or \$4.80 per square foot of living area. In support of its contention of the correct assessment the board of review submitted four equity comparables.

In rebuttal, the appellant submitted a letter asserting that the appellant's comparables are located in closer proximity to the subject than the board of review's comparables.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The parties presented a total of 11 equity comparables. The Board finds the appellant's comparables #1 and #7 and the board of review's comparable #2 most similar to the subject. The comparables have improvement assessments from \$3.03 to \$4.10 per square foot of living area. In comparison, the subject's assessment of \$4.80 per square foot of living area falls within the range established by the comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.
