

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vent Products Co., Inc.  
DOCKET NO.: 10-31240.001-I-1  
PARCEL NO.: 16-22-313-029-0000

The parties of record before the Property Tax Appeal Board are Vent Products Co., Inc., the appellant, by attorney Michael E. Crane of Crane and Norcross in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$77,593  
**IMPR:** \$103,657  
**TOTAL:** \$181,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a one-story industrial building of brick exterior construction with 62,978 square feet of building area. The building has 3,149 square feet of office space and 59,829 square feet of warehouse space. The building was constructed in 1952. Features of the building include poured reinforced concrete floors, a 17 foot clear ceiling

height, rooftop HVAC, three truck docks with bumpers, one double depressed dock and two overhead doors. The property has approximately 85,000 square feet of asphalt paving used for parking and driveways. The property has a 155,187 square foot site and is located in Chicago, West Chicago Township, Cook County. The property is classified as a class 5-93 industrial building under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$725,000 as of January 1, 2009. The appraisal was prepared by Joseph T. Thouvenell, state certified general appraiser; Kathleen Connors, staff appraiser; and Robert M. Kruse, staff appraiser; of Midwest Appraisal, LLC. Thouvenell also has the Member of the Appraisal Institute (MAI) designation. In estimating the market value of the subject property the appraisers developed the three traditional approaches to value.

The appellant also submitted a copy of the final decision issued by the board of review establishing a total assessment of \$232,348. The subject's assessment reflects a market value of \$929,392 when using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5-93 property of 25%. The appellant requested the subject's assessment be reduced to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

#### **Conclusion of Law**

The appellant contends in part the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating the subject

property had a market value of \$725,000 as of January 1, 2009. The subject's assessment reflects a market value above the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the information submitted by the appellant and finds a reduction in the assessment of the subject property is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
