

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Spadafino  
DOCKET NO.: 10-31754.001-R-1  
PARCEL NO.: 17-07-326-029-0000

The parties of record before the Property Tax Appeal Board are Paul Spadafino, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,518  
**IMPR.:** \$36,847  
**TOTAL:** \$50,365

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board (Board) finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 3,976 square foot parcel of land improved with a 119-year old, two-story, masonry, multi-family dwelling containing 6,651 square feet of living area. The

property is located in West Chicago Township, Cook County and is classified as 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted sales information on six comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$50,365. The subject's total assessment reflects a market value of \$563,367 or \$84.70 per square foot of living area using the Illinois Department of Revenue's 2010 three-year median level of assessment of 8.94% for class 2 properties.

In support of its contention of the correct assessment the board of review submitted four sale comparables.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparables #1 and #2. These properties sold from November 2009 to October 2010 for prices ranging from \$37.20 to \$237.58 per square foot of living area. In comparison, the appellant's assessment reflects a market value of \$84.70 per square foot of living area which is within the range established by the comparables. Based on the record and after adjustments to the comparables, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
