

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rick Simon
DOCKET NO.: 10-31962.001-R-1 through 10-31962.008-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Rick Simon, the appellant(s), by attorney John P. Fitzgerald, of Fitzgerald Law Group, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of eight deeded parking spaces within a 305 unit, inclusive of parking spaces, condominium building. The property is located in South Chicago Township, Cook County. The property is a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating these eight parking spaces had a market value of January 1, 2009 of \$25,000 per parking space or \$200,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,368. The subject's assessment reflects a market value of \$350,872 or \$43,859 per parking space, using the Illinois Department of Revenue's 2010 three-year median level of assessment for class 2 property of 8.94%.

In support of its contention of the correct assessment the board of review submitted sales information on five units within the condominium building. The board of review did not provide any information on whether these units were parking spaces or livable space.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

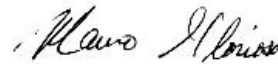

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. Therefore, the Board finds these eight parking spaces had a market value of \$200,000 or \$25,000 per parking space. Since the market value of this parcel has been established, the 2010 Illinois Department of Revenue three-year

Docket No: 10-31962.001-R-1 through 10-31962.008-R-1

median level of assessment for Class 2 property of 8.94% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
