

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jacek Tyszka  
DOCKET NO.: 10-32052.001-R-1  
PARCEL NO.: 09-09-200-017-0000

The parties of record before the Property Tax Appeal Board are Jacek Tyszka, the appellant(s), by attorney Scott Shudnow, of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 67,518  
**IMPR.:** \$ 6,684  
**TOTAL:** \$ 74,202

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of four improvements. Improvement #1 is a two-story dwelling of frame and masonry construction with 1,350 square feet of living area. Improvement #1 is 111 years old. Features of Improvement #1 include a crawl and a two-car garage. Improvement #2 is a one-story dwelling of frame and masonry construction with 983 square feet of living area. Improvement #2 is 111 years old. Features of Improvement #2 include a slab. Improvement #3 is a one-story dwelling of masonry construction

with 3,084 square feet of living area. Improvement #3 is 22 years old. Features of Improvement #3 include a full finished basement, central air conditioning, and a two-car garage. Improvement #4 is a one-story building of frame construction with 1,764 square feet of building area. Improvement #4 is a 111 year old storage garage/barn with a dirt floor. The property has a 87,200 square foot site, and is located in Des Plaines, Maine Township, Cook County. All four of the improvements are classified as class 2 properties under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$830,000 as of January 1, 2010.

The appellant also admitted that the subject was recently purchased, but that the sale was not an arm's-length transaction as it was between family members.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,781. The subject's assessment reflects a market value of \$1,619,474 when applying the 2010 three year average median level of assessment for class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four sale comparables.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight because it was raw sales data.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$830,000 as of the assessment date at issue. Since market value has been established the 2010 three year average median level of assessment for class 2 property of 8.94% as determined by the Illinois Department of Revenue shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
