

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dumitru Babus  
DOCKET NO.: 10-32137.001-R-1  
PARCEL NO.: 20-20-404-008-0000

The parties of record before the Property Tax Appeal Board are Dumitru Babus, the appellant, by attorney Daniel J. Farley of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,500  
**IMPR:** \$4,000  
**TOTAL:** \$6,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry construction with 931 square feet of living area. The dwelling is approximately 49 years old. Features of the home include a

full unfinished basement. The property has a 3,125 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 13, 2009 for a price of \$18,000. The appellant failed to complete Section IV - Recent Sale Data of the residential appeal form to demonstrate the sale had the elements of an arm's-length transaction. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,203. The subject's assessment reflects a market value of \$92,030 or \$98.85 per square foot of living area, land included, when applying the level of assessments for class 2-02 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparables sold from June 2007 to April 2010 for prices that ranged from \$60,000 to \$125,000 or from \$67.87 to \$100.00 per square foot of living area, land included.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record to be comparable sales #2 and #3 submitted by the board of review. These comparables are similar to the subject in location, living area, style, and land area. These properties also sold proximate in time to the assessment date at issue for prices of \$86.87 and \$67.87 per square foot of living area, including land, respectively. The subject's assessment reflects

a market value of \$98.85 per square foot of living area, including land, which is above the best comparable sales in this record therefore, a reduction is warranted. The Board gave no weight to the subject's sale due to the fact the appellant failed to complete Section IV - Recent Sale Data of the residential appeal form and did not establish the sale had the elements of an arm's-length transaction.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
