

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Adams  
DOCKET NO.: 10-32643.001-R-1  
PARCEL NO.: 14-32-104-026-0000

The parties of record before the Property Tax Appeal Board are Scott Adams, the appellant(s), by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 22,320  
**IMPR.:** \$ 135,665  
**TOTAL:** \$ 157,985

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a three-story, single-family dwelling of masonry construction with 3,572 square feet of living area. The dwelling was constructed in 2000. Features of the townhome include a full finished basement, a two-car garage,

and air conditioning. The property has a 2,976 square foot site and is located in Chicago, North Chicago Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$157,985. The subject property has an improvement assessment of \$135,665 or \$37.98 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

At hearing, the board of review analyst, Ms. Daniela Garcia, and the appellant's attorney, Ms. Lisa Perna-Miller, confirmed that the board of review's comparable #1 has a lower assessment per square foot than the subject and rested on the evidence previously submitted.

#### Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #2 and the appellant's comparables. These comparables had improvement assessments that ranged from \$31.01 to \$39.43 per square foot of living area. The subject's improvement assessment of \$37.98 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.
