

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert A. Schmitt
DOCKET NO.: 10-32871.001-R-1
PARCEL NO.: 24-17-113-001-0000

The parties of record before the Property Tax Appeal Board are Robert A. Schmitt, the appellant, by attorney John P. Fitzgerald of Fitzgerald Law Group, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$1,313
IMPR.: \$16,187
TOTAL: \$17,500**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story building of masonry construction with both a commercial and a residential use. The subject has 1,976 square feet of building area and is 34 years

old. The property has a 3,283 square foot site and is located in Chicago Ridge, Worth Township, Cook County. The subject is classified as a class 2-12 mixed use property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$175,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,049. The subject's assessment reflects a market value of \$230,490 or \$116.64 per square foot of building area, including land, when applying the Cook County level of assessments for class 2 property of 10%.

The board of review did not submit evidence in support of its assessment of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a value of \$175,000 as of January 1, 2009. The subject's assessment reflects a market value above the only evidence of market value in the record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
