

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lai King Fong
DOCKET NO.: 10-32927.001-R-1
PARCEL NO.: 17-33-317-036-0000

The parties of record before the Property Tax Appeal Board are Lai King Fong, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,600
IMPR.: \$ 0
TOTAL: \$ 3,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of vacant land containing 3,000 square feet of area. The property is located in South Chicago Township, Cook County. The subject is classified as a class 1, vacant property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on seven suggested equity comparables. These properties were all located within the subject's neighborhood and

ranged in size from 3,000 to 3,088 square feet of land. They ranged in land assessments from \$1.20 to \$1.50 per square foot.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,000. The subject property's market value based upon its assessment is \$150,000. In support of its contention of the correct assessment, the board of review submitted raw data on nine suggested sale comparables. The sales ranged from \$11.81 to \$197.68 per square foot and in size from 0.066 acres to 7 acres of land.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables*. These comparables had land assessments that ranged from \$1.20 to \$1.50 per square foot of area and in land size from 3,000 to 3,088 square feet. The subject's land assessment of \$5.00 per square foot of area falls above the range established by the best comparables in this record. Further, the Board finds that the board of review failed to submit any locational and assessment data on its suggested properties which inhibited an equity comparability.

Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
