

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dragutin Martic  
DOCKET NO.: 10-32978.001-R-1  
PARCEL NO.: 12-25-423-031-0000

The parties of record before the Property Tax Appeal Board are Dragutin Martic, the appellant(s), by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$2,578  
IMPR.: \$45,605  
TOTAL: \$48,183**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 3,125 square foot parcel of land improved with a four-year old, three-story, masonry, mixed-use building containing 5,397 square feet of living area. The

property is located in Leyden Township, Cook County. The subject is classified as a 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument the appellant submitted four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,465 with an improvement assessment of \$45,887 or \$8.50 per square foot of living area. In support of its contention of the correct assessment the board of review submitted two equity comparables.

In rebuttal, the appellant submitted a letter asserting that the board of review's comparables support a reduction.

#### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The parties presented a total of six equity comparables. The Board finds the appellant's comparables #2 and #3 and the board of review's comparable #1 most similar to the subject. The comparables have improvement assessments from \$7.13 to \$8.13 per square foot of living area. In comparison, the subject's assessment of \$8.50 per square foot of living area falls above the range established by the comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
