

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: New Hope Investment LLC
DOCKET NO.: 10-33079.001-R-1
PARCEL NO.: 29-02-324-054-0000

The parties of record before the Property Tax Appeal Board are New Hope Investment LLC, the appellant, by attorney Stephanie Park of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,560
IMPR.: \$8,990
TOTAL: \$10,550

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction. The dwelling is approximately 48 years old and has 1,099 square feet of living area. Features of the home

include a full unfinished basement and a two-car garage. The property has a 4,800 square foot site and is located in Dolton, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on January 14, 2009 for a price of \$51,500. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,550. The subject's assessment reflects a market value of \$105,500 or \$96.00 per square foot of living area, land included, when using the 10% ordinance level of assessment for Class 2 residential property in Cook County.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales. These comparables sold in January 2009 or January 2010 for prices that ranged from \$105,765 to \$130,000 or from \$94.43 to \$107.00 per square foot of living area, land included.

The appellant's attorney submitted a rebuttal brief.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be two of the comparable sales submitted by the board of review. Board of review comparables #1 and #3 were similar to the subject in location, design, masonry construction, age, living area and foundation. These properties sold in January 2010 for \$95.36 or \$107.00 per square foot of living area,

including land. The subject's assessment reflects a market value of \$96.00 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board gave little weight to the subject's January 2009 sale. The subject's sale was not as proximate in time to the assessment date at issue as the January 2010 sale dates of board of review comparables #1 and #3.

Based on this record, the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
