

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Geoff & KellyAnn Colgan
DOCKET NO.: 10-33228.001-R-1
PARCEL NO.: 03-29-412-048-0000

The parties of record before the Property Tax Appeal Board are Geoff & KellyAnn Colgan, the appellants, by attorney Stephanie Park of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,567
IMPR.: \$39,752
TOTAL: \$44,319

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction. The dwelling is approximately 19 years old and has 2,583 square feet of living area. Features of the home include a full unfinished basement, central air

conditioning, a fireplace and a two-car garage. The property has a 9,616 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity as the basis of the appeal. In support of this argument, the appellants submitted information on 12 equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,873. The subject property has an improvement assessment of \$44,306 or \$17.15 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables.

The appellant's attorney submitted a rebuttal brief.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

Both parties submitted information on a total of 15 suggested equity comparables. The Board finds the best evidence of assessment equity to be the appellants' comparables #10 and #12. These two comparables were the only ones in the record that were very similar to the subject in both living area and age. They were also similar in location, design, most features and/or exterior construction. These comparables had improvement assessments of \$15.82 and \$16.00 per square foot of living area. The subject's improvement assessment of \$17.15 per square foot of living area falls above their improvement assessments. Based on this record, the Board finds the appellants demonstrated with clear and convincing evidence that the subject's improvement was

inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
