

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Haipeng Zhao  
DOCKET NO.: 10-33279.001-R-1  
PARCEL NO.: 02-27-203-022-0000

The parties of record before the Property Tax Appeal Board are Haipeng Zhao, the appellant, by attorney Stephanie Park of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,814  
**IMPR.:** \$62,186  
**TOTAL:** \$70,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry construction. The dwelling is approximately four years old and has 4,138 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a three-car garage. The property

has a 16,452 square foot site and is located in Palatine, Palatine Township, Cook County. The property is a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$700,000 as of July 9, 2010. The appraiser developed both the sales comparison and cost approaches to value but gave primary emphasis to the sales comparison approach. The appraiser analyzed three comparable sales and an active listing to arrive at the estimate of the subject's market value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$74,382. The subject's assessment reflects a market value of \$743,820 or \$179.75 per square foot of living area, when applying the 10% level of assessment for class 2-08 residential property in the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four comparable sale properties.

The appellant's attorney submitted a rebuttal brief.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the appraiser made logical adjustments to arrive at a final conclusion of value. The board of review submitted four comparable sales but made no adjustments to the sale prices of their comparables for differences from the subject. The subject's assessment reflects a market value above the best evidence of market value in the record. Based on this evidence,

Docket No: 10-33279.001-R-1

the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
