

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Abraham Salinas  
DOCKET NO.: 10-33430.001-R-1  
PARCEL NO.: 12-25-222-007-0000

The parties of record before the Property Tax Appeal Board are Abraham Salinas, the appellant(s), by attorney Michael T. Reynolds, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$3,436  
IMPR: \$6,398  
TOTAL: \$9,834**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 4,166 square foot parcel of land improved with an 87-year old, one-story, frame, single-family dwelling containing 698 square feet of living area. The property is located in Leyden Township, Cook County. The

property is a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in February 2010 for a price of \$110,000. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,843. The subject's assessment reflects a market value of \$199,586 using the Illinois Department of Revenue's three-year median level of assessment for class 2, residential property of 8.94% for tax year 2010.

In support of its contention of the correct assessment, the board of review submitted three sale comparables that sold from 2008 to 2010 for prices ranging from \$258.063 to \$308.95 per square foot of living area. The evidence also listed the sale of the subject in February 2010 for \$110,000.

In rebuttal, the appellant submitted a letter asserting that the board of review's comparables are not adjusted for differences between them and the subject and are not located near the subject.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in December 2009 for a price of \$110,000. The appellant provided evidence demonstrating the sale of the subject. The board of review did not refute the arm's length nature of the sale and included this sale in its own evidence. Therefore, the Board finds the subject had a market value of \$110,000. Since the market value of this parcel

Docket No: 10-33430.001-R-1

has been established, the 2010 Illinois Department of Revenue three-year median level of assessment for Class 2 property of 8.94% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
