

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Charewicz  
DOCKET NO.: 10-33493.001-R-1 through 10-33493.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Mike Charewicz, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-33493.001-R-1	02-27-200-047-1081	757	10,590	\$11,347
10-33493.002-R-1	02-27-200-047-1082	757	10,590	\$11,347

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two condominium units of brick construction each with approximately 800 square feet of living area. The dwellings are 34 years old. The properties are

located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The appellant's evidence included Multiple Listing Service sheets for two of the sales presented by the board of review.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,694. The subject's assessment reflects a market value of \$226,940 or \$113,470 per unit, when applying the Cook County level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #3, as well as the board of review's comparables #3, #4 and #5. These comparables were most similar to the subject in location, size, age, features and also sold most proximate in time to the January 1, 2010 assessment date. The Board gave less weight to the parties' remaining comparables due to their sale dates occurring more distant in time from the assessment date at issue. The best sales occurred from January 13, 2009 to July 29, 2010 for prices ranging from \$111,000 to \$133,000 per unit. The subject's assessment reflects a market value of \$113,470 per unit, which falls within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
