

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Walter Kim
DOCKET NO.: 10-33559.001-R-1
PARCEL NO.: 04-25-100-109-0000

The parties of record before the Property Tax Appeal Board are Walter Kim, the appellant, by attorney Stephanie Park of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,757
IMPR.: \$54,243
TOTAL: \$65,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with 3,501 square feet of living area of frame and masonry construction.

The dwelling is 38 years¹ old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 2-car attached garage. The property has a 12,656 square foot site and is located in Northfield, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$650,000 as of July 30, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,042. The subject's assessment reflects a market value of \$805,839 or \$230.11 per square foot of living area, including land, when applying the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

The appellant's attorney submitted a rebuttal brief in response to the board of review's evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The appellant's appraiser estimated the subject property had a market value of \$650,000 as of July 30, 2009. The appraiser analyzed three comparable sales and two active listings to arrive at the estimate of the

subject's market value. The Board finds the appraiser made logical adjustments to arrive at a final conclusion of value. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$650,000 as of the assessment date at issue.

The Board finds that the board of review was not able to adequately refute the market value conclusion contained in the appellant's appraisal report. The board of review submitted four comparable sales but made no adjustments to the sale prices for differences from the subject. Two of the four comparables were much smaller and had dissimilar exterior construction when compared to the subject and one comparable had a sale date not as proximate as the subject's effective date of the appraisal. Consequently, the Board gives little weight to the board of review's market value evidence.

Based on this evidence, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
