

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diamond Lake Rentals
DOCKET NO.: 10-33964.001-R-1
PARCEL NO.: 29-03-430-027-0000

The parties of record before the Property Tax Appeal Board are Diamond Lake Rentals, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,817
IMPR.: \$ 4,916
TOTAL: \$ 7,733

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 3,680 square feet of living area. The dwelling is 43 years old and is not owner-occupied. The property

has an 8,670 square foot site, and is located in Dolton, Thornton Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on November 6, 2008, for a price of \$66,500. The transfer was between unrelated parties and the property was advertised on the open market using a realtor. The appellant also indicated \$20,000 was spent on renovations prior to occupancy. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$18,383. The subject's assessment reflects a market value of \$205,626, or \$55.88 per square foot, including land, when applying the 2010 three year median level of assessment of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted four equity comparables. The sale of the subject was also noted on the board of review's grid sheet.

In written rebuttal, the appellant requested that their oral hearing be waived and this case be decided on the evidence contained in the file.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November 2008 for a price of \$66,500, in addition to the \$20,000 cost for renovations. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant disclosed

the property was sold using a realtor. In further support of the transaction, the appellant submitted copies of: the settlement statement; a recorded deed; a sales contract; and an affidavit from an agent of the buyer attesting to the renovation costs. The Board finds that the board of review did not present any evidence to challenge the arm's length nature of the transaction or provide any sale comparables to show that the price paid for the subject did not reflect its fair market value.

Based on this record the Board finds the subject property had a market value of \$86,500 as of January 1, 2010. Since market value has been determined, the 2010 three-year median level of assessment of 8.94% for class 2 property as determined by the Illinois Department of Revenue shall apply (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
