

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tony Dore  
DOCKET NO.: 10-34459.001-R-1  
PARCEL NO.: 17-29-327-014-0000

The parties of record before the Property Tax Appeal Board are Tony Dore, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 7,812  
**IMPR.:** \$ 12,895  
**TOTAL:** \$ 20,707

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a two-story dwelling of masonry construction containing 1,806 square feet of living area. The dwelling is 131 years old. Features of the home include a full unfinished basement and a one-car garage. The subject is located in South Chicago Township, Cook County.

The appellant's appeal is based on unequal treatment in the assessment process regarding the subject's improvement. The appellant submitted limited information on five comparable properties with varying degrees of similarity to the subject. The comparables have improvement assessments ranging from \$5.88 to \$6.16 per square foot of living area. The subject's improvement assessment is \$7.14 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties with varying degrees of similarity to the subject. These properties have improvement assessments ranging from \$7.91 to \$9.77 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by both parties were generally similar to the subject in size, style, exterior construction, features and/or age. Slightly less weight was given the appellant's comparables #4 and #5 based on their dissimilar size when compared to the subject. In addition, slightly less weight was given board of review comparable #1 based on its age being dissimilar to the subject. The most similar comparables had improvement assessments that ranged from \$5.88 to \$9.77 per square foot of living area. The subject's improvement assessment of \$7.14 per square foot of living area is within the range established by the best comparables in this record. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
