

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bruce Gelman
DOCKET NO.: 10-34739.001-R-1
PARCEL NO.: 17-04-431-014-0000

The parties of record before the Property Tax Appeal Board are Bruce Gelman, the appellant(s), by attorney Steven B. Pearlman, of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 98,150
IMPR.: \$ 385,410
TOTAL: \$ 483,560**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story dwelling of masonry construction with 8,764 square feet of living area. The dwelling was constructed in 1918. Features of the home include

a partial basement, central air conditioning, two fireplaces and a four-car garage. The property has a 7,852 square foot site and is located in North Chicago Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$483,560. The board of review submitted the subject's property record card that indicates the subject property's improvement assessment includes \$408 for a \$79,089 permit for remodeling, a fourth floor addition, and roof deck, of which \$75,000 was exempt and \$4,089 was subject to assessment in tax year 2010. The subject's improvement assessment without the permit amount is \$385,002 or \$43.93 per square foot of living area. The subject's improvement assessment including the permit is \$385,410, or \$43.98 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

In written rebuttal, the appellant's attorney pointed out differences between the board of review's comparables and the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables and board of review comparable #2. These comparables had improvement assessments that ranged from

\$35.70 to \$45.45 per square foot of living area. The subject's improvement assessment of \$43.93 (and \$43.98 including the permit amount) per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
