

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jay Hausler
DOCKET NO.: 10-34764.001-R-1
PARCEL NO.: 14-32-101-011-0000

The parties of record before the Property Tax Appeal Board are Jay Hausler, the appellant, by attorney Arnold G. Siegel of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,750
IMPR.: \$15,250
TOTAL: \$40,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story multi-family dwelling of masonry construction with 2,384 square feet of living area. The dwelling is 121 years old. Features of the home include a full, partially finished basement, central air conditioning and a two-car garage.¹ The property has a 3,300

¹ The Board finds the best evidence of the subject's story height, whether the subject has finished basement area and whether the dwelling has central air conditioning is the photographic evidence and the acknowledgment from the appellant's appraiser that an interior inspection was made of the subject.

square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-11 apartment building under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$400,000 as of April 20, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$83,897. The subject's assessment reflects a market value of \$838,970 or \$351.92 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables.

The board of review also submitted a list of 20 sales; however, no information regarding the characteristics of the properties was submitted for analysis.

The appellant submitted a rebuttal brief requesting the appeal be written on the evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$400,000 as of April 20, 2010. The Board gave less weight to the equity comparables presented by the board of review. The Board finds this evidence is not responsive to the overvaluation argument made by the appellant. The Board also gave less weight to the board of review's list of 20 sale properties, as the information submitted did not include property characteristics necessary when analyzing these properties' comparability to the subject. Based on this record the Board finds a reduction in the subject's assessment is appropriate

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
