

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark B. Weiss
DOCKET NO.: 10-34913.001-R-1
PARCEL NO.: 14-32-221-001-0000

The parties of record before the Property Tax Appeal Board are Mark B. Weiss, the appellant, by attorney Arnold G. Siegel of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,250
IMPR.: \$71,750
TOTAL: \$95,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story multi-family dwelling of masonry construction with 6,405 square feet of living area. The dwelling is 93 years old and has a full

unfinished basement. The property has a 3,100 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-11 apartment building under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$950,000 as of September 16, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,540. The subject's assessment reflects a market value of \$1,385,400 or \$216.30 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. In addition, the board of review reported the subject property sold in September 2010 for \$950,000.

Under rebuttal, the appellant submitted a brief critiquing the board of review's submission.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$950,000 as of September 16, 2010. This estimated market value is supported by the board of review's reported sale of the subject in September 2010 for \$950,000. The Board gave less weight to the board of review's comparable sales due to their sale dates occurring greater than 13 months prior to the January 1, 2010 assessment date at issue.

The subject's assessment reflects a market value of \$1,385,400, which is above the appraised value. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
