PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Adrian Danzig, the appellant, by attorney Arnold G. Siegel of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

ANALYSIS

The subject property is improved with a 106 year old residential condominium. Features of the home include one bedroom, two bathrooms and 2,246 square feet of living area. The property is located in Chicago, South Chicago Township, Cook County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 09-34310.001-R-1 through 09-34310.004-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$39,605 based on the evidence submitted by the

parties. The appellant also submitted an appraisal to demonstrate the subject was being overvalued.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$94,486 was disclosed. The board of review submitted an assessment analysis based on seven sales from 2008 and 2009 to demonstrate the subject's assessment reflected the property's market value.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the appellant filed an appeal with the Property Tax Appeal Board for 2009. The Board issued a decision reducing the subject's 2009 assessment. The record further indicates that the subject property is an owner occupied dwelling. The Board finds that 2009 and 2010 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the decision of the Property Tax Appeal Board was reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
