

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bruce Stark
DOCKET NO.: 10-35190.001-R-1
PARCEL NO.: 06-24-102-026-0000

The parties of record before the Property Tax Appeal Board are Bruce Stark, the appellant, by Jerri K. Bush, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,547
IMPR: \$5,063
TOTAL: \$7,610

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 904 square feet of living area. The dwelling is 46 years old. Features of the home include a crawl-space foundation, central air conditioning and an attached one-car

garage. The property has a 7,837 square foot site and is located in Streamwood, Hanover Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on October 20, 2009 for a price of \$76,100. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,248. The subject's assessment reflects a market value of \$162,480 or \$179.73 per square foot of living area, land included, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

Under rebuttal, the appellant submitted a brief critiquing the board of review's submission.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2009 for a price of \$76,100. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 40 days. In further support of the

transaction the appellant submitted a copy of the settlement statement disclosing the amount of Broker's Commission paid. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any pertinent evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Furthermore, the Board finds the comparable sales submitted by the board of review do not overcome the subject's arm's length sale transaction. Based on this record the Board finds a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
