

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Irene Mojica
DOCKET NO.: 10-35441.001-R-1
PARCEL NO.: 17-18-304-039-0000

The parties of record before the Property Tax Appeal Board are Irene Mojica, the appellant, by attorney Anthony Lewis of the Law Offices of Gary H. Smith in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,765
IMPR.: \$37,235
TOTAL: \$45,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story multi-family dwelling of masonry construction with 3,120 square feet of living area.¹ The dwelling is approximately 119 years old and has a full unfinished basement. The property has a 2,284 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 apartment

¹ The Board finds the best evidence of the subject's size is the sketch of the subject within the appellant's appraisal.

building under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$450,000 as of December 28, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,330. The subject's assessment reflects a market value of \$523,300 or \$158.29 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$450,000 as of December 28, 2009. The Board gave less weight to three of the board of review's comparable sales due to their sale dates occurring in 2007 and 2008, dates more remote in time to the January 1, 2010 assessment date at issue. The Board further finds that the remaining board of review comparable, which sold in December 2010 for \$500,000 or \$237.53 per square foot of living area including land, supports a reduction in the subject's assessment after adjustments for age, size and features. The subject's assessment reflects a market value of \$523,300 or \$158.29 per square foot of living area, including land, which is above the appraised value. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
