

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathy McShane  
DOCKET NO.: 10-35531.001-R-1  
PARCEL NO.: 14-32-213-007-0000

The parties of record before the Property Tax Appeal Board are Kathy McShane, the appellant, by attorney Herbert B. Rosenberg of Schoenberg Finkel Newman & Rosenberg LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$22,500  
**IMPR.:** \$27,868  
**TOTAL:** \$50,368

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a 2009 tax year decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, mixed-use building of masonry construction with 3,148 square feet of building area. The building was constructed in 1888. The property has a 3,000

square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$445,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$99,626. The subject's assessment reflects a market value of \$996,260 or \$316.47 per square foot of building area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in this record is the appraisal submitted by the appellant estimating the subject property had a market value of \$445,000 as of January 1, 2009. The Board finds the equity comparables presented by the board of review are not responsive to the overvaluation argument made by the appellant. The subject's assessment reflects a market value above the appraised value. Based on the evidence in this record, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
