

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hallowell & James, Inc.
DOCKET NO.: 10-35891.001-R-1 through 10-35891.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Hallowell & James, Inc., the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-35891.001-R-1	18-17-211-007-0000	925	0	\$925
10-35891.002-R-1	18-17-211-008-0000	1,010	0	\$1,010

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of two adjacent parcels composing a residential site containing 38,700 square feet of land area. The property is located in Countryside, Lyons Township, Cook County. The subject parcels are classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance (hereafter "Ordinance").

The appellant contends the assessment of the subject property is inequitable. In support of this argument the appellant submitted descriptions and assessment information on four comparables. The data provided by the appellant indicated the comparables had land assessments ranging from \$50 to \$9,768 or \$0.05 per square foot of land area. The appellant submitted a copy of the decision issued by the Property Tax Appeal Board for the prior year in which a reduction was granted based on the evidence in the record. The subject's 2009 assessments were reduced to a total of \$1,935 in Docket No. 09-34391.001-R-1 and 09-34391.002-R-1. The appellant also indicated the subject had a land assessment of \$26,548 or \$0.69 per square foot of land area. Based on this evidence the appellant requested the subject's assessment be reduced.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends assessment inequity as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessments by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data the Board finds a reduction is warranted.

The appellant in this appeal submitted assessment information on four assessment comparables to demonstrate the subject was inequitably assessed. These comparables had land assessments of \$0.05 per square foot of land area. The subject has a land assessment of \$0.69 per square foot of land area, which is above the assessment established by the comparables. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
