

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frieda Brown
DOCKET NO.: 10-36033.001-R-1
PARCEL NO.: 04-23-101-068-0000

The parties of record before the Property Tax Appeal Board are Frieda Brown, the appellant(s), by attorney Ronald G. Glosniak, of Leff & Cohen in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,451
IMPR.: \$57,845
TOTAL: \$64,296

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board (Board) finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 6,791 square foot parcel of land improved with an 11-year old, two-story, frame, single-family building containing 2,608 square feet of building area. The property is located Northfield Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted sales information three comparables. The appellant's appeal is a direct appeal from the 2010 decision of the Property Tax Appeal Board.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,296. The subject's total assessment reflects a market value of

\$642,960 or \$246.53 per square foot of living area using the Cook County Real Estate Classification Ordinance level of assessment of 10% for class 2 properties.

In support of the correct assessment, the board of review submitted four sales comparables. In addition, the board of review submitted a brief asserting that the 2010 assessment year is the first year of a new triennial assessment cycle and that the 2010 decision should not be automatically applied to the 2011 appeal.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. The Board finds the 2010 assessment year is the first year of a new triennial cycle. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value are the appellant's comparables and the board of review comparables #2, #3, and #4. These properties sold from October 2009 to August 2010 for prices ranging from \$216.99 to \$296.52 per square foot of building area. In comparison, the appellant's assessment reflects a market value of \$246.53 per square foot of building area which is within the range established by the comparables. Based on the record and after adjustments to the comparables, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
