

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tony Volgi  
DOCKET NO.: 11-05108.001-R-1  
PARCEL NO.: 14-05-306-007

The parties of record before the Property Tax Appeal Board are Tony Volgi, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$53,367  
**IMPR:** \$179,943  
**TOTAL:** \$233,310

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 4,082 square feet of living area. The dwelling was constructed in 2002. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 1,078 square foot garage. The

property has a 78,828 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales.

The board of review submitted its "Board of Review Notes on Appeal". The Notice of Findings by the Lake County Board of Review disclosed the total assessment for the subject of \$233,310. The subject's assessment reflects a market value of \$719,648 or \$176.30 per square foot of living area, land included, when using the 2011 three year average median level of assessment for Lake County of 32.42% as determined by the Illinois Department of Revenue.

As to the appellant's evidence, the board of review argued that the appellant's comparables #1 and #2 have significantly smaller lot sizes than the subject. In addition, appellant's comparable #1 sold more than 2 years from the subject's January 1, 2011 assessment date and comparable #2 is located in excess of 2 miles from the subject.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales. These comparables were most similar to the subject in location and also sold more proximate to the subject's January 1, 2011 assessment date. These most similar comparables sold for prices ranging from \$167.07 to \$205.09 per square foot of living area, including land. The Board gave less weight to the appellant's comparables #1 and #3 due to their sale dates occurring greater than 14 months after

the subject's January 1, 2011 assessment date. The Board also gave less weight to the appellant's comparable #2 due to its proximity greater than two miles from the subject. The subject's assessment reflects a market value of \$176.30 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
