

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Joyce Kilroy  
DOCKET NO.: 11-20299.001-R-1  
PARCEL NO.: 11-32-312-014-0000

The parties of record before the Property Tax Appeal Board are Mary Joyce Kilroy, the appellant, by attorney John P. Fitzgerald of Fitzgerald Law Group, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$8,448  
IMPR.: \$47,916  
TOTAL: \$56,364**

Subject only to the State multiplier as applicable.

**ANALYSIS**

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a three-story, multi-family dwelling of masonry construction. The dwelling is approximately 99 years old and has 4,652 square feet of living area. Features

include three apartment units, a full unfinished basement and a one and one-half car garage. The property has a 3,840 square foot site and is located in Chicago, Rogers Park Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables; however, the appellant did not provide any information on the comparables' foundations.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,364. The subject property has an improvement assessment of \$47,916 or \$10.30 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #3. These comparables were most similar to the subject in living area and were very similar in location, age, and foundation. These comparables had improvement assessments of \$11.65 and \$11.63 per square foot of living area, respectively. The subject's improvement assessment of \$10.30 per square foot of living area falls below the improvement assessments of the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the

subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
