

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Mitchell
DOCKET NO.: 11-20446.001-R-1
PARCEL NO.: 16-08-122-030-0000

The parties of record before the Property Tax Appeal Board are Matthew Mitchell, the appellant, by attorney David C. Dunkin, of Arnstein & Lehr, LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,923
IMPR.: \$ 16,057
TOTAL: \$ 18,980

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is an 89 year-old, two-story residential apartment building of stucco construction. The parties differed as to the building's living area size, air conditioning and garage. Features of the home include a full unfinished

basement. The property has a 4,177 square foot site and is located in Oak Park Township, Cook County. The property is a Class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$200,000 as of March 15, 2010. The appraisal included a floor plan sketch of the subject and a statement by the appraiser that he inspected the property. The appraisal disclosed that the subject contained 2,291 square feet of living area, central air conditioning and a two-car garage.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,844. The subject's assessment reflects a market value of \$240,717 when applying the 2011 three-year average median level of assessment of 9.49% for Class 2 property as determined by the Illinois Department of Revenue (86 Ill.Admin.Code §1910.50(c)(2)).

In support of its contention of the correct assessment, the board of review submitted information on eight suggested equity comparables, with sales data on five of the comparables. The board of review disclosed that the subject contained 2,142 square feet of living area, no air conditioning and no garage.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

For the purposes of this decision only, the Board takes note that the appraiser inspected the subject and provided a floor plan sketch. Consequently, the Board finds that the subject contained 2,291 square feet of living area, central air conditioning and a two-car garage. The Board finds the best evidence of market value to be the appraisal submitted by the

appellant. The Board finds the subject property had a market value of \$200,000 as of the assessment date at issue. Since market value has been established, the 2011 three-year average median level of assessment of 9.49% for Class 2 property as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
