

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tom Tubilewicz  
DOCKET NO.: 11-20526.001-R-1  
PARCEL NO.: 15-12-303-015-0000

The parties of record before the Property Tax Appeal Board are Tom Tubilewicz, the appellant, by attorney Steven B. Pearlman, of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 5,607  
**IMPR.:** \$19,304  
**TOTAL:** \$24,911

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 103 year-old, two-story dwelling of frame construction. The parties differed as to the living area size. Features of the home include a full unfinished basement and a two-car garage. The property has an 8,010 square foot

site and is located in River Forest Township, Cook County. The property is a Class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$262,500 as of July 20, 2010. The appraisal disclosed that the subject contained 2,148 square feet of living area. The appraisal report included a sketch of the living area and a statement from the appraiser that he inspected the interior and exterior of the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,089. The subject's assessment reflects a market value of \$390,822 when applying the 2011 three-year average median level of assessment of 9.49% for Class 2 property as determined by the Illinois Department of Revenue (86 Ill.Admin.Code §1910.50(c)(2)).

In support of its contention of the correct assessment, the board of review submitted information on two unadjusted suggested sales comparables. The board of review's evidence disclosed the subject contained 2,376 square feet of living area.

In rebuttal, the appellant argued that the board of review's evidence should be given diminished weight because it submitted only two sales comparables and that they were unadjusted. The appellant reaffirmed the request for an assessment reduction.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that for this appeal, the subject contained 2,148 square feet of living area. The Board finds the best

evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$262,500 as of the assessment date at issue. Since market value has been established, the 2011 three-year average median level of assessment of 9.49% for Class 2 property as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
