

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Henry Oyuela
DOCKET NO.: 11-20715.001-R-1
PARCEL NO.: 16-28-406-030-0000

The parties of record before the Property Tax Appeal Board are Henry Oyuela, the appellant, by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,185
IMPR.: \$ 6,207
TOTAL: \$ 9,392

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 113 year-old, one-story dwelling of frame construction containing 1,664 square feet of living area. Features of the home include a full finished basement with an apartment and a two-car garage. The property has a 4,550 square

foot site and is located in Cicero Township, Cook County. The property is a Class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a partial settlement statement and a partial real estate contract disclosing the subject property was purchased in an "as is" condition from Deutsche Bank National Trust Company, as Trustee for the Registered Holders of Argent Securities Incorporated on June 19, 2009 for a price of \$56,200. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,392. The subject's assessment reflects a market value of \$98,967 or \$59.48 per square foot of living area, when using the board of review's indicated size of 1,664 square feet and when using the 2011 three-year average median level of assessment of 9.49% for Class 2 property as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales and data on the 2009 sale of the subject for the price of \$49,900.

In rebuttal, the appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in June 2009 for \$56,200 is a "compulsory sale." The subject was purchased in an "as is" condition from Deutsche Bank National Trust. Moreover, the appellant failed to submit the complete settlement statement and real estate contract. A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

However, when there is a recent sale of the subject, and that sale is a compulsory sale, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. In this case, the appellant did not submit additional sale comparables to show that the sale of the subject in June 2009 for \$56,200 was at its fair cash value. Moreover, the board of review submitted sale comparables. These comparables contained property characteristics similar to the subject's and sold for prices ranging from \$59.65 to \$105.52 per square foot of living area, including land. The subject's assessment reflects a market value of \$59.48 per square foot of living area including land, which is below the range established by the best comparable sales in this record. Since there is no supporting evidence that the sale price of the subject was at

Docket No: 11-20715.001-R-1

its fair cash value, the Board finds that the subject is not overvalued and holds that a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
