

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Finocchiaro
DOCKET NO.: 11-20787.001-R-1
PARCEL NO.: 14-07-411-005-0000

The parties of record before the Property Tax Appeal Board are Peter Finocchiaro, the appellant, by attorney Brian P. Liston of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,294
IMPR.: \$51,419
TOTAL: \$71,713

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story multi-family dwelling of masonry construction with 4,968 square feet of building area. The building is approximately 96 years old. Features of the building include three units, a full unfinished basement and a two-car detached garage. The property has a 6,342 square foot site and is located in Chicago, Lake View

Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance (hereinafter "Ordinance").

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a minimal descriptive analysis using five comparable sales that sold from March 2009 to June 2010 for prices ranging from \$150,000 to \$500,000 or from \$39.06 to \$134.84 per square foot of building area, including land. The appellant requested the subject's assessment be reduced to \$36,999.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$71,713. The subject's assessment reflects a market value of \$717,130 or \$144.35 per square foot of building area, including land, when applying the Ordinance level of assessment for class 2-11 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables sold from October 2009 to April 2010 for prices ranging from \$695,000 to \$745,000 or from \$105.14 to \$178.40 per square foot of building area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales. These comparables sold for prices ranging from \$105.14 to \$178.40 per square foot of building area, including land. The subject's assessment reflects a market value of \$144.35 per square foot of building area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.
