

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael McGonigal  
DOCKET NO.: 11-20970.001-R-1  
PARCEL NO.: 16-05-127-003-0000

The parties of record before the Property Tax Appeal Board are Michael McGonigal, the appellant, by attorney Christopher G. Walsh Jr. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,506  
**IMPR.:** \$30,386  
**TOTAL:** \$33,892

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with 2,152 square feet of living area of stucco construction. The dwelling is approximately 89 years old. Features of the home include a full basement finished with a recreation room, one fireplace and

a 2-car detached garage. The property has a 4,125 square foot site and is located in Oak Park, Oak Park Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$265,000 as of January 1, 2011.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,892. The subject's assessment reflects a market value of \$338,920 or \$157.49 per square foot of living area, including land, when applying the level of assessment for class 2-05 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The appellant submitted an appraisal estimating the subject property had a market value of \$265,000 as of January 1, 2011. The appraiser analyzed four comparable sales to arrive at the estimate of the subject's market value. The board of review submitted four comparable sales to support the subject's assessment. The comparable sales contained in this record sold for prices ranging from \$377,000 to \$390,000 or from \$172.94 to \$224.91 per square foot of living area, including land. The subject's assessment reflects a market value of \$338,920 or \$157.49 per square feet of living area, including land, well under the range of the sales in this record.

Docket No: 11-20970.001-R-1

Based on this evidence the Board finds a reduction in the subject's assessment is not appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
