

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joanne Malinowski
DOCKET NO.: 11-21022.001-R-1
PARCEL NO.: 14-17-205-055-1004

The parties of record before the Property Tax Appeal Board are Joanne Malinowski, the appellant, by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 5,832
IMPR.: \$18,842
TOTAL: \$24,674**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a residential condominium unit contained in a 16 year-old, two-story, six-unit residential condominium building of masonry construction. Features of the home include

central air conditioning, a fireplace and a one-car garage. The property has a 9,000 square foot site and is located in Lake View Township, Cook County. The property is a Class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$260,000 as of January 1, 2011.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,103. The subject's assessment reflects a market value of \$412,044 when applying the 2011 three-year average median level of assessment of 9.49% for Class 2 property as determined by the Illinois Department of Revenue (86 Ill.Admin.Code §1910.50(c)(2)).

In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on suggested comparable sale for one unit in the building that sold in 2006 for a total of \$322,500. The board of review applied a 2.00% market value reduction to the subject for personal property without further evidence to arrive at an adjusted market value of \$316,050 of the one unit sold. The board of review disclosed the unit sold consisted of 13.00% of all units in the building. The result was a full value of the property at \$2,431,154. Since the subject was 18.00% of all the units in the building, the board of review suggested the market value of the subject to be \$437,608.

In rebuttal, the appellant argued that the board of review did not submit evidence of not fewer than three recent sales. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code

§1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$260,000 as of the assessment date at issue. Since market value has been established, the 2011 three-year average median level of assessment of 9.49% for Class 2 property as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
