

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karl Dalhstrom
DOCKET NO.: 11-21526.001-R-1
PARCEL NO.: 05-17-301-012-0000

The parties of record before the Property Tax Appeal Board are Karl Dalhstrom, the appellant(s), by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,720
IMPR.: \$28,256
TOTAL: \$46,976

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two story, frame, single-family dwelling. It is 94 years old and is situated on a 10,400 square foot site. The subject is located in New Trier Township, Cook County, and is classified as Class 2-06 property under the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$495,000 as of September 6, 2011. The appellant's attorney also provided a real estate sales contract and indicated the subject was purchased for \$492,575 on September 29, 2011. The appellant also indicated that the parties to this transaction were not related.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$71,738. The subject's assessment reflects a market value of

\$755,933 when applying the 2011 three year median level of assessments for class 2 property of 9.49% as determined by the Illinois Department of Revenue. In support of the subject's assessment, the board of review submitted four equity comparables, each of which reflected sale data. The board of review also argued that the appraisal should be given no weight as the valuation date is after January 1, 2011. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued that the board of review's comparables were unadjusted.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal of the subject as the appellant did not provide evidence that the closing actually occurred. The sales contract does provide support for the appraised value. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$495,000 as of the assessment date at issue. Since market value has been established the 2011 three year median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue shall apply, per the appellant's request. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
