

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Halina Okowinski
DOCKET NO.: 11-21986.001-R-1
PARCEL NO.: 09-22-120-034-0000

The parties of record before the Property Tax Appeal Board are Halina Okowinski, the appellant, by attorney Scott Shudnow, of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,477
IMPR: \$ 17,672
TOTAL: \$ 25,149

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 59-year old, one-story, single-family dwelling of frame and masonry construction. Features of the home include: a fireplace and a three-car garage. The property has a 9,648 square foot site and is located in Maine Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$265,000 as

of January 1, 2010. The appraisal indicated that an interior and exterior inspection was conducted on March 17, 2011 resulting in an improvement size of 1,662 square feet of living area. In support, a building schematic was submitted reflecting the dwelling's size.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,500. The subject's assessment reflects a market value of \$279,241, when applying the 2011 three year average median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue. The board of review's grid sheet stated that the subject's improvement size was 1,626 square feet of living area.

In support of its contention of the correct assessment, the board of review submitted descriptive, assessment and raw sales data on three suggested comparables.

In written rebuttal, the appellant's attorney submitted a brief reiterating the prior argument as well as asserting that the board of review's sales support the appellant's appraisal value.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value and improvement size to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$265,000 as of the assessment date at issue. Since market value has been established the 2011 three year average median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
