

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathleen Hoesley  
DOCKET NO.: 11-22538.001-R-1  
PARCEL NO.: 14-30-211-001-0000

The parties of record before the Property Tax Appeal Board are Kathleen Hoesley, the appellant(s), by attorney Robert M. Sarnoff, of Sarnoff & Baccash in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,000  
**IMPR.:** \$39,321  
**TOTAL:** \$54,321

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of masonry construction with 1,200 square feet of living area. The dwelling is 43 years old. Features of the home include a partial basement with a formal recreation room and a one-car garage. The property has a 3,125 square foot site and is located in Lake View Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant also contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a copy of a printout from the Cook County recorder of Deeds website stating that the subject sold on June 3, 2010 for a price of \$350,000, or \$291.67 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,321. The subject's assessment reflects a market value of \$543,210 or \$452.67 per square foot of living area, including land, when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment the board of review submitted information on seven equity comparables with sale information on each sale.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to provide information that the property was sold in an arm's length transaction, that the parties were unrelated, and that the subject was advertised on the open market. Moreover, the board of review submitted four sale comparables ranging from \$453.10 to \$506.82 per square foot of living area. The subject's alleged sale price of \$291.67 per square foot of living area falls below the market range, while the subject's current market value of \$452.67 per square foot of living area is closer to the market range established by the unadjusted sale comparables. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
