

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paula Kaplan  
DOCKET NO.: 11-22963.001-R-1  
PARCEL NO.: 02-01-307-029-0000

The parties of record before the Property Tax Appeal Board are Paula Kaplan, the appellant(s), by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 3,045**  
**IMPR: \$ 28,638**  
**TOTAL: \$ 31,683**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a three-story dwelling of masonry construction with 4,687 square feet of living area. The dwelling is 39 years old. Features of the home include a slab and central air conditioning. The property has a 5,800 square foot site, and is located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased from "Fannie Mae a/k/a Federal National Mortgage Association REO # C090HDK" on April 28, 2010 for a price of \$273,000, or \$58.25 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,683. The subject's assessment reflects a market value of \$333,857, or \$71.23 per square foot of living area, including land, when applying the 2011 three year average median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted four equity comparables and four sale comparables. The board of review also submitted a printout from the Cook County Recorder of Deeds' website showing that a *lis pendens* was placed on the subject on September 12, 2008 by Washington Mutual Bank. The subject was conveyed from Fannie Mae to the appellant on May 3, 2010. The board of review also submitted a copy of the *lis pendens* and the judicial sale deed.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight because it was raw sale data, which is insufficient under the Official Rules of the Property Tax Appeal Board.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the sale of the subject in April 2010 for \$273,000 was a "compulsory sale." A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. The Board finds that the sale of the subject in April 2010 is a compulsory sale, in the form of a foreclosure, based on the *lis pendens* and the judicial sale deed submitted by the board of review.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sales of comparable properties submitted by the parties to revise and/or correct the subject's assessment. In this appeal, the board of review submitted information on four comparable sales. The Board finds board of review comparables #1, #2, #3, and #4 to be most similar to the subject. These comparables sold for prices ranging from \$68.62 to \$107.34 per square foot of living area, including land. The subject's sale price reflects a market value of \$58.25 per square foot of living area, including land, which is below the range established by the best comparables in this record. Moreover, the subject's current assessment reflects a market value of \$71.23 per square foot of living area, including land, which is within this range. Therefore, the Board finds that the sale of the subject in April 2010 for \$273,000 was below the subject's fair cash value. Since there is no evidence that the sale price of the subject was at its fair cash value, the Board finds that the subject is not overvalued and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
