

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eugene Maloney & Susan Craven
DOCKET NO.: 11-23177.001-R-1
PARCEL NO.: 02-09-402-100-1018

The parties of record before the Property Tax Appeal Board are Eugene & Susan Maloney & Craven, the appellant(s), by attorney E. William Maloney, Jr., of Maloney & Craven, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,694
IMPR.: \$7,106
TOTAL: \$8,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tenant-occupied, residential condominium unit that contains approximately 920 square feet of living area. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation and assessment equity. In support of the overvaluation argument the appellant submitted evidence disclosing the subject property was purchased in July 2010 for a price of \$88,000, or \$95.65 per square foot of living area, including land. In support of this argument, the appellant submitted a settlement statement, transfer a declaration, and leases. In further support of this argument, the appellant submitted eight suggested comparable sales. In support of the equity argument, the appellant submitted assessment information for the same properties. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$8,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,706. The subject's assessment reflects a market value of \$117,060 or \$12.78 per square foot of living area, land included, when using the 2011 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted a condominium sale analysis. The board also submitted a printout of all units in the subject condominium. The printout includes the assessment and percentage of ownership for each unit.

In written rebuttal, the appellant submitted a Cook County assessor's notice that indicates the subject's 2013 assessment was reduced from \$6,682 to \$5,345.

At hearing, the appellant stated the subject was purchased in an arm's-length transaction in July 2010 for a price of \$88,000. He argued that the subject's market value has declined due an overall declining real estate market and due to the unlawful activities of some condominium board members. The board of review's representative stated that based on the board's sales analysis, the subject's assessment should be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in July 2010 for a price of \$88,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market on the Multiple Listing Service and it had been on the market for four months. In further support of the transaction the appellant submitted a copy of the settlement statement and the PTAX-203 Illinois Real Estate Transfer Declaration. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$88,000 as of January 1, 2011. Since market value has been determined the 2011 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
